City of Sunland Park Statement on Doña Ana County's CRRUA Announcement

May 23, 2025

The City of Sunland Park acknowledges the recent announcement by Doña Ana County to begin the process of terminating the Joint Powers Agreement (JPA) that established the Camino Real Regional Utility Authority (CRRUA).

While the City was not able to participate in the County's press conference, we remain committed to working transparently and collaboratively with all partners involved to ensure that the interests of our residents are protected throughout this transition. CRRUA will continue to operate and provide services as the transition process unfolds.

The City of Sunland Park is actively evaluating all options to support a long-term solution that ensures reliable infrastructure, public accountability, and safe water for every household and business in our community. We will share additional updates as they become available.
